

Tupelo, MS - Lyric Theatre - May 14, 15 2010

"It's a great place to mingle," is one of the things filmmakers and festival goers alike have to say about the Tupelo Film Festival.

Established in 2004, the festival combines a beautiful setting, Southern Hospitality and world-class film screenings and workshops. And each year the festival brings together dozens of films and hundreds of film fans from around the world.

As well, the festival aims to be a centerpiece in the Tupelo Film Commission's goal of fostering a vibrant film community in Northeast Mississippi.

Awards are given in the following categories: Student, Short Film, Documentary, Animation, Music Video and Feature. Films are judged by filmmakers and Film Industry leaders from around the nation.
